- Ref: 1. Minutes of the Meeting of the Board of Studies in Second
MBBS degree course held on 24.08.2016
2. Minutes of the meeting of the 52nd Standing Academic Board
held on 29.09.2016 and Resolution No. 32 passed
at 248th meeting of the Governing Council held on 08.11.2016

I am to inform that the meeting of the Board of Studies in Second MBBS degree course was held on 24.08.2016 and discussed various academic matters. The recommendation of the Board of Studies in Second MBBS degree course was placed before the 52nd meeting of the Standing Academic Board held on 29.09.2016 and the minutes of the SAB has been passed in the 248th meeting of the Governing Council held on 08.11.2016 which are detailed as below:-

It was resolved to approve the revised syllabus along with record for the following subjects:

Pharmacology
Microbiology
Pathology
Forensic Medicine

It was resolved to add exercises (5 + 5) each in Histopathology and Cytology in the pathology Record.

0205983

This will be implemented for the students admitted in the academic year 2015 -16 and appearing for February 2018 examination session onwards.

It was resolved that the nomenclature of subjects for second MBBS and Final MBBS Part I and II as per the norms prescribed by the Medical Council of India "Regulation on Graduate Medical Education, 1997" Amended upto August 2016.

It was resolved to incorporate the Nomenclature as prescribed by Medical Council of India. As the curriculum and syllabus are the same, it was resolved that uniform nomenclature of subjects be followed for both arrear candidates and regular batch candidates of second MBBS degree course and the candidates will write the subjects in the new nomenclature as prescribed by Medical Council of India with one common question paper code. This will be implemented from February 2017 examination session onwards.

Existing Nomenclature	As per MCI Nomenclature
